

Zeus Range

Contract modular range

The **Zeus Range** has been designed to help create an efficient, cost effective and healthy workplace. Zeus is a contract range, designed to keep costs to a minimum.

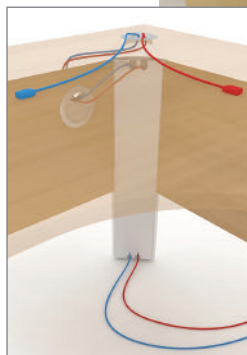

The Zeus Range is based on the classic panel leg style. Modern shaped tops combine with desk top screens to provide cluster configurations ideal for VDU environments.

The Zeus Range is available in Beech.

5 year guarantee

Cable ports in tops and modesty panels, clip on cable cover on crescent corner leg.
